# SAMPLE FORMS & DOCUMENTS

## AUTHORIZATION TO USE FORMS

The forms which are contained in this publication are solely for the personal use of the purchaser of this publication. Permission is hereby given to the purchaser to use or reproduce any of the forms, but such permission is limited to the purchaser's personal use and for no other purpose.

**The use or reproduction of the forms for sale or use of others is strictly prohibited.**

Neither the author nor the publisher of the materials contained in this publication should be considered as providing legal, accounting, tax or other such advice. Because the forms contained in this publication are of a generic nature, the author or publisher cannot assure that any forms use in a particular situation is appropriate, nor do they assume responsibility for any forms use in a specific situation. The purchaser is, therefore, strongly advised to seek their own professional counsel for advice relative to a particular set of facts.
